Home Learning Grid - Year 2

<p style="text-align: center;">Topic</p> <p>Before Christmas, we learnt about continents and oceans. Tell me which continent each of the following countries is from and one fact about them. You may want to use Oddizzi to help you.</p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>Italy</td> <td>China</td> <td>Australia</td> </tr> <tr> <td>USA</td> <td>Egypt</td> <td>Mexico</td> </tr> <tr> <td>Kenya</td> <td>Brazil</td> <td>Saudi Arabia</td> </tr> <tr> <td>Argentina</td> <td>Germany</td> <td>New Zealand</td> </tr> </table> <p>Username: y2hillside Password: hillside</p>	Italy	China	Australia	USA	Egypt	Mexico	Kenya	Brazil	Saudi Arabia	Argentina	Germany	New Zealand	<p style="text-align: center;">Computing</p> <p>Create a lesson for year 1 explaining how to stay safe online. You may want to make a powerpoint, record yourself giving the lesson, create a worksheet or just write down the key messages on a handout poster. Try to use some of the following key words:</p> <p style="text-align: center;"><i>Internet, search engine, sharing, trust, attachments, social media, cyber bullying, personal information</i></p> <p style="text-align: center;"><i>Zip it, Block It, Flag It</i></p>	<p style="text-align: center;">Science</p> <p>Have a go at the cloze activity below the grid named 'Plants'. This is a great chance to practise your handwriting and check your understanding of plants.</p> <hr/> <p style="text-align: center;">Music</p> <p>Follow the link to find 5 songs in sign language. You may want to sing along, dance, or even learn some of the signs.</p> <p style="text-align: center;">https://www.bbc.co.uk/teach/bring-the-noise/5-songs-in-bsl/z4g88xs/</p>
Italy	China	Australia												
USA	Egypt	Mexico												
Kenya	Brazil	Saudi Arabia												
Argentina	Germany	New Zealand												
<p style="text-align: center;">RE</p> <p>On the last grid, you looked at Ramadan. At the end of Ramadan, Muslims celebrate Eid al-Fitr. The following website has some videos to watch and a mini quiz to play:</p> <p style="text-align: center;">https://www.bbc.co.uk/cbeebies/puzzles/lets-celebrate-eid</p> <p>You may want to have a go at some of the activities Amirah takes part in to celebrate.</p>	<p style="text-align: center;">Reading</p> <p>Reading is the perfect activity to help pass the time whilst at home.</p> <p>Please read at least three times a week. I would be super impressed if you could read every day. This can be one of your reading books or another book from home.</p>	<p style="text-align: center;">Art</p> <p>I would like you to create an art gallery in your house! Follow these steps:</p> <ol style="list-style-type: none"> 1. Create a series of art work around a theme. Eg. animals, colour, landscapes, etc. 2. Give each of your pieces of art a name and sign them. 3. Put your pictures up around your chosen room. 4. Make tickets to give to members of your household. Include a date and time. 5. Hold your art gallery opening! Remember to take some photos for your work book. 												
<p style="text-align: center;">Extended Writing</p> <p>I would like you to write a poem all about yourself! There is a help sheet on the home learning page. You will see there is a repeating stanza and lines that are about you. Do not change the repeating stanza but please fill in the parts about you. Plan first and then write your poem.</p>	<p style="text-align: center;">PSHE and Science</p> <p>18th May – 18th June is National Smile Month. It promotes good oral hygiene and of course, smiling!</p> <ol style="list-style-type: none"> 1. Draw some things that make you smile. 2. Create a poster on how to look after your teeth. 	<p>You can draw, paint, take photos, create sculptures or anything else arty. Be creative!</p>

Plants

Most plants _____ (make/cook/build) new plants by growing seeds or bulbs. Seeds and bulbs _____ (contain/mix/like) most things a new plant needs to _____ (run/die/grow).

This includes food.

Germination is the name for when _____ (grass/seeds/flowers) and bulbs start to grow. To do this, they need _____ (sugar/water/air), soil and light. Sometimes they _____ (drink/eat/need) warmth.

First, seeds start to take in water from the soil. The seed will grow and grow until it _____ (splits/pops/slowly) open. Tiny roots will grow downwards to _____ (look/make/find) water. These roots will also help to hold the plant still.

Tiny shoots will grow up towards the light. When the shoot stretches above the soil, leaves will start to grow. The _____ (leaves/hands/stem) will start to turn light into _____ (food/drink/fat) for the plant. The plant will use this food to grow _____ (smaller/bigger/shorter) and bigger.

More leaves will grow and the plant will begin to make _____ (old/red/new) seeds. These seeds will _____ (walk/hang/fall) off of the plant or get carried away by an animal. They might be blown away by the _____ (snow/wind/rain). The seeds will grow into new plants.
