Friday 26th February

Watch the Twinkle Powerpoint for the story of 'Farmyard Fun.
(See link)

Use your phonic knowledge to complete the booklet. You can either use single words or simple sentences for the pictures. The correct sentences are on the Powerpoint if you would like your parent to read them to you whilst you write.

Reading Expectations

We would like you to aim to hear your child read at least 3 times a week.

We will be sending home 4 reading books each with your child's new pack. We expect the children to read these books more than once, in order to improve fluency as well as understanding.

Please continue to access the links below.

This week's reading linked to phonics is [Moon Farm Park - Phase 3 decodable comic](https://www.phonicsplaycomics.co.uk) ([phonicsplaycomics.co.uk](https://www.phonicsplaycomics.co.uk))

A **new link** that I have just found is <https://www.jollylearning.co.uk/jolly-phonics-e-readers-now-available/>

where there are free e-readers. I would suggest starting at the lowest level which is Red, still quite a challenge for some of our pupils but worth checking out!

There are also a number of books on Oxford Owl linked to phonics. Try to select the same level that your child would be on at school i.e. pink or red level

[Oxford Owl for School and Home](https://www.oxfordowl.co.uk/)

For extra reading linked to your child's phonic ability, please use <https://readingeggs.co.uk/> and [Teach Your Monster to Read: Free Phonics & Reading Game](https://www.teachyourmonster.com/)

Purple Mash

Whilst we are not setting any work for Reception on Purple Mash, there is a wealth of activities for your children to access.

Please let me know if you require your login details sending out again.

There are also lots of phonics games linked to the Phase 3 sounds. Click on English- Phonics - then choose the sounds you would like to practise.

The Twinkle Phonics Powerpoints are pretty self-explanatory but it might be worth quickly reading through before competing with your child to ensure your and their full understanding. The children usually help me to read the story text that is in purple or red and I read the black.
